

FOUR-WHEEL BRAKES

FOR

AMERICA'S FASTEST FOUR

DODGE BROTHERS ADD NEW EQUIPMENT AT NO INCREASE IN PRICE

Four-wheel brakes of the latest and most efficient Steel-draulic type now insure deceleration equal to the amazing acceleration of America's Fastest Four!

Swift, time-saving travel is now made still safer by increased braking efficiency.

Step on the brake pedal and feel the positive, cushioned braking, absolutely uniform on all four wheels.

At \$875 for the Sedan, f. o. b. Detroit, this famous Four with complete factory equipment, represents the smartest, swiftest, sturdiest, low-cost transportation money can buy.

The car is roomy—yet compact.

Turns in a 38-foot street—parks in 17½ feet of curb space—yet provides ample room and exceptional comfort for five adults.

Spring length 85% of wheel-base—the longest in its price class.

Mile-a-minute performance! 25 miles to the gallon at 25 miles per hour!

A brilliant performer by every standard—a sturdy car from end to end.

A Four of striking beauty—smartly finished—tastefully appointed—luxuriously upholstered—long, low and gracefully designed.

A car you can drive for years because in every detail it is built the good Dodge way—carefully and accurately—of materials that pass Dodge Brothers high and critical standards.

Six months in public service, this Four has already won as proud a name for itself as any product ever built by Dodge Brothers.

After stern trial, it has been accepted as a *value*—a genuine and trustworthy value. And now with four-wheel brakes at no extra cost, you can buy it knowing that money has no greater buying power in the field of transportation.
